

Certificate

Indoor Air Comfort Gold

Corian®

Certified Product

DuPont de Nemours

Applicant

The above product complies with the Indoor Air Comfort Gold specifications, version 8.0 (2022). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- France VOC class A+
- Germany (AgBB/ABG)
- Italian CAM Edilizia
- EU Taxonomy Regulation
- LEED (ACP)
- BREEAM New Construction
- WELL Building
- SKA Rating
- French HQE certification
- EMICODE EC1 Plus
- Nordic Swan
- M1
- Danish Indoor Climate Label (Emission Class 1)
- BVB (Sweden)
- Miljöbyggnad (Sweden)
- Eco Product Norway
- Cradle to Cradle
- very low emitting products according to EN 16798-1
- Singapore Green Label
- Global GreenTag

Issue date: 14 September 2022

Product type: Solid panel

Validity date: 11 August 2027

Certificate number: IACG-455-01-04-2022

This certificate is valid as specified if regular surveillance and testing is done.

Appendix to Certificate IACG-455-01-04-2022

DuPont de Nemours

receives the Indoor Air Comfort Gold certificate with validity 11 August 2027

for below product group produced at sites as listed:

Product group: Corian ®

Product type: Solid panel

Production sites:

DuPont Specialty Products Japan
DuPont Specialty Products Turkey
DuPont Specialty Products USA

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
